Mack Global LLC is a woman-owned small business founded in 2008. Our company is certified in the 8(a) SBA program and has successfully grown and expanded to provide a wide range of professional services and products to government agencies. As an experienced government contractor, Mack Global has successfully managed and serviced local, state and federal government contracts, including all branches of the U.S. military. Government agencies repeatedly utilize our services because we are capable, credible, and easy to do business with.

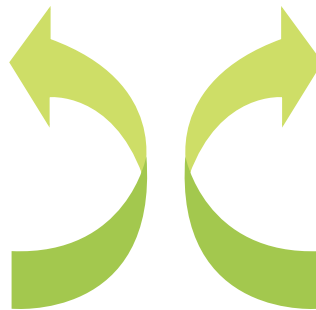

As a government solutions provider, our trained staff understands the intricacies of the procurement process. Our team works efficiently with contracting officers and end-users to provide effective solutions and fulfill contractual agreements. Our company does not function simply as a vendor, but rather as an **extended team for COR's**. Once we assess the government's need we assemble the right team and most importantly, **WE DELIVER** by exceeding our customers' expectations. Quality matters at Mack Global and we realize that every contract is an earned opportunity to exceed expectations. Our team is comprised of exemplary project managers and subject matter experts who are responsive, competent, and focused on meeting customer's needs.

Our company is structured with two divisions. Our ***Professional Services Division*** and ***Products Division*** enable Mack Global to be successful small business partners and provide an array of services and products to meet the procurement needs of government agencies.

PRINCIPLES - Our company is guided by the following principles:

EXCEED EXPECTATIONS - We show our customers that they're important to us by listening intently to their needs and giving them exactly what they ask for. *"The monthly activity report your company provided was the most thorough and detailed report we've ever received."* – Contract Administrator, Fort Jackson Army Base

EXEMPLIFY PROFESSIONALISM - We are respectful of others and remember to treat our clients and coworkers as we would want to be treated. We take pride in what we do, always seeking to improve and develop our skills. *"The contractor's professional, attention to detail, availability, efficiency, and outstanding communication skills make this project an exceptional project."* – Contract Specialist, GSA

PURSUE EXCELLENCE – We always want to be better tomorrow than we are today. *"Mack Global understands government procurement. They provide the quality level of service we project managers expect."* – Project Manager, Virginia Department of Military Affairs

MAINTAIN QUALITY - We consistently focus on the quality of work we do and customer satisfaction is our primary quality measure. *"The product was delivered timely and to our satisfaction. In addition, they were responsive to our requests and the Quantico Marine Base would contract with Mack Global again should an opportunity present itself."* – Contracting Officer, Quantico Marine Base

EMBRACE TEAMWORK - Our customers are an extension of our team. We are more effective when we work together and we're able to accomplish our goals and our customers' goals. *"Mack Global has the right attitude and approach in setting their focus on developing positive long lasting relationships with its partners and colleagues."* – President, Operation Moving Beyond
